Dear NAIT Academic Staff Association Colleagues,

On behalf of the Grant MacEwan University Faculty Association (GMUFA), I am writing to extend our full support as you navigate this challenging moment in your negotiations. Your commitment to securing fair, equitable, and sustainable working conditions strengthens not only your members, but the broader post-secondary sector.

We want to assure you that you do not face this work alone. Our Association will make staff resources available as needed, stand with you on the picket line, and provide monetary and in-kind support where possible throughout this period. As your efforts continue, please do not hesitate to reach out, we are ready to assist in any way we can.

We admire your resolve and solidarity, and we are proud to stand beside you.

In solidarity,
